Hello...

My name is Linda Naughton. Heart n Hand was a dream come true when we opened on July 31, 2019. I love working with children and especially love watching them learn and grow. I have a BA in Business/Government from Albright College in Pennsylvania. I also hold my CDA in Preschool. I was the Literacy teacher at Auburn Elementary while our daughters were in school. I am the proud mom to Chelsea and Kylie and Lolli to Dakotah! I look forward to another wonderful year at Heart n Hand and cannot wait to work with your children.
