

Directions to Carinya Station

Our roads, particularly our driveway, are DRY WEATHER ACCESS ONLY.

If rain is forecast, please call to discuss your travel needs prior to arrival.

We are flexible with dates. There is a \$200 tow-out fee if you choose to ignore our warnings.

Travelling from the Castlereagh Highway

From the highway (B55), follow the signs into Lightning Ridge. Remain on this road through to the T section. Turn Right onto Gem St, drive past the pool and turn left onto Pandora St. This takes you past Artesian Baths. Continue on this road for approx. 10km until you come to another T intersection. Turn right onto Ridge Road. Travel 4km. Carinya Station is signposted on the right.

You will see our homestead 200m ahead as you drive through our gates. Follow the driveway and check-in at our homestead before continuing to our camping area.

Travelling from Collarenebri

Before travelling on this back road from Collarenebri, please call into the service station and obtain information about the road conditions. This route contains approx. 55km of dirt roads and minimal mobile reception.

Starting at the Post Office, turn right on to Herbert St. After 400m turn left onto Narran St. After 500m, Narran St becomes Ridge Rd. Continue on this road 37km (becomes a dirt road after 10km). Continue until you reach the four-ways. Turn Left (this is still Ridge Rd).

Continue for approx. 21km until you see a sign at the T section pointing right towards Lightning Ridge. Turn right and continue travelling along Ridge Road.

After another 10km, you will see the 'Carinya Station' sign on your left-hand side.

You will see our homestead 200m ahead as you drive through the gates. Follow the driveway and check-in at our homestead before continuing to our camping area.

We strongly recommend travelling with a Telstra mobile (and Telstra SIM) for best phone coverage in our region.
