

SALON CORA

Group Bookings for Weddings at Salon Cora

We are so excited to share in preparing for your wedding day. We hope this will provide you with all the information you need to make decisions regarding services for you and your wedding party.

We offer coffee, tea and water to our guests and are happy to serve and store other refreshments you would like while you are at Salon Cora.

While it is not required we do suggest having an in-person consultation with your stylist(s) for the bride and any other styles that may be more complex. We do have a virtual consultation available for those that do not live in the Crystal Lake area.

When preparing hair for a formal style it is important that the hair be clean and dry when the appointment begins. Clean hair will allow the stylist to add proper product to make the heat styling more effective.

Keep in mind that you will have to change into wedding attire; therefore you may want to wear a top that buttoned down the front or has a large opening at the neck.

We will schedule the services to try to accommodate all services and therefore we ask that all appointments are started on time. Please communicate the importance of punctuality to your wedding party.

A credit card will be placed on file to cover the deposit and can be used for final payment if requested. We have a strict cancellation policy as follows:

- *The deposit is equal to 50% of services book for the wedding day to hold appointments. We cannot guarantee availability without having a deposit.*
- *Full refund of deposit if cancelled 30 days prior to the wedding day. Any alterations to appointments need to be completed at this time as well. Denise will discuss any changes to the original booking.*
- *Cancellation within 30 days of the wedding day will forfeit the deposit.*

If you have any additional questions regarding a Wedding Party Reservation please call Denise, Salon Owner at the salon, 815-893-4340.
