

2020-2021 Dance Safety Protocol

- Operating at 35% occupancy
- Designated separate entrances, waiting areas and bathrooms for each studio (studio 2 uses main entrance and DCP waiting room studio 3 uses alternate building entrance and locker rooms)
- Class participant numbers limited to allow for no more than 25 people occupying each space at a time including DCP faculty and staff.
- Staggered class start and end times with breaks strategically scheduled for flow.
- Rearranged lobby to allow for social distancing
- Family members strongly discouraged from remaining in DCP space during classes unless absolutely necessary. Use of Cool Springs main lobby is available.
- Temperatures taken upon arrival.
- Mask are required by anyone entering the DCP space and must also be worn by all DCP faculty and participants over age 3.
- Dancer placement within studio marked at more than 6ft social distancing to allow for some movement within each dancer's defined space.
- Class structure and travelling patterns altered to allow for social distancing within the studio.
- Each dancer carries belongings, **including shoes for restroom use**, in a personal bag.
- Strict **no street shoe** policy in dance studios.
- Use of hand sanitizer required upon entrance and exit of dance studio.
- No contact curriculum.
- Weather permitting, outside doors will be propped open.
- Dance studios, surfaces, barres and DCP lobby will undergo continuous sanitization throughout class times. Floors will be sanitized each day.
