

2020 Summer Dance Safety Protocol

- Operating at 35% occupancy
(15 students per studio.
Capacity at 6 square foot spacing is 45 dancers per studio)
- Designated separate entrances, waiting areas and bathrooms for each studio
(studio 2 uses main entrance and DCP waiting room
studio 3 uses alternate building entrance and locker rooms)
- Touchless thermometer reading upon entry
- Staggered start and end times for programs.
- Family members, please do not plan to remain in DCP space during programs.
- Drive up drop off and pick up
- • Masks required by anybody entering the space, and must be worn for the entirety of class
- Each dancer carries belongings, **including shoes for restroom use**, in a personal bag.
- Strict **no street shoe** policy in dance studios.
- Use of hand sanitizer required upon entrance and exit of dance studio.
- No contact curriculum.
- Weather permitting, outside doors will be propped open.
- The Conservatory will have regular cleanings, including sanitized surfaces, between each session of classes every day.
- No use of drinking fountain. Water bottle filler will be available and is included in cleaning protocol.
