BFCS Reverse Advent Calendar

Each month you continue to give generously to the Bangor foodbank which covers a large part of the peninsula including our own town. Ken Scott conveyed his appreciation in the letter we received after our harvest appeal. Each advent they use the tool of a reverse advent calendar to promote their Christmas appeal. It has not been confirmed of they are using it this year but I believe it is a good guide for our december giving so I have attached a copy of last years for you to use. Thes will be collected on the first Sunday in December.
