

November 25, 2024

Greetings,

**Chosen Hearts**—a non-profit organization dedicated to providing a safe haven and life skills training for families in need, I'm reaching out to you as a neighbor with a shared interest in helping our community thrive.

This year has been challenging for all of us, but as we approach the holiday season, we have a chance to make a meaningful impact on the lives of those who need it most. Imagine a holiday season without gifts, without celebration, without the joy of feeling seen and remembered. For many teens in our community, this is a reality. Chosen Hearts is working to change that. We're partnering with Toys for Tots to bring Christmas cheer to 78 families, including 138 youth. While Toys for Tots generously provides gifts for young children, there's a critical gap in support for **31 teenagers** aged 15-17. These teens deserve to experience the magic of the holidays too.

This is where we need your help. We are asking for your support in providing gift cards to these teens, many of whom come from challenging financial circumstances. A simple \$25 gift card can make all the difference, providing a tangible way for them to feel loved and included in the holiday spirit—something many of them may not experience otherwise.

We believe every child deserves the opportunity to lead a full, happy life, regardless of their economic situation. By supporting these teens, you're not only providing them with a gift, but you're also offering them exposure to opportunities that can positively influence their future. Whether it's through life skills development, intellectual stimulation, or simply feeling respected and valued, your contribution can have a lasting impact on their growth and success.

Give the gift of hope this Christmas. If you would like to partner with us this holiday season, please visit our website at [www.chosen-hearts.com](http://www.chosen-hearts.com) for more information. You can also contact us directly at **info@chosen-hearts.com** or call us to discuss how you can get involved and make a difference.

We look forward to the possibility of partnering together to help make this Christmas brighter for these young people.

Warm regards,
