**Game
Over**

Only after CERT volunteers have secured their personal and family safety is it possible and pertinent to respond in a group capacity to do what is necessary for the community as a whole.

- A) What are CERT Volunteer's rights as citizens?
- B) How does the sponsoring agency orchestrate its group response?
- C) What is a CERT Volunteer's first responsibility?
- D) How do CERT Volunteers stay within the limits of their training when providing disaster relief?
