

# CORONADO RUGBY CLUB, IRELAND TRIP

Hello Rugby Families,

As many of you know, last year the club attempted to organize a trip to Ireland over Spring Break. That trip was put on hold until this year. Several of the boosters joined a zoom session to learn more about the trip and ask questions. This is a wonderful opportunity for our players to compete in some great matches and it's also an opportunity for your family to have an amazing vacation. The age groups that will have matches scheduled are **U12, U14 and HS Girls and Boys**. It is important that we start registering and preparing now. This is also the time to work on fundraising to lower our cost. If you are interested or want more information, please attend the upcoming meeting. Here are some details you can work on now in preparation:

1. Go to the Coronado Rugby Club website and read up on all of the Ireland trip information. <https://coronadorugby.com/>

2. Now is also the time to apply for or renew your passports.

3. If you know you are participating and ready to commit, go to the link, register and make your \$250 (non-refundable) deposit. You will do this for every family member making the trip. It is important that we start registering now. Prices will go up the longer we wait.
