

# Skating Fees Policy

## **Refunds**

All requests for refunds are to be in writing within two (2) weeks of the start of the session. There will be a \$50 charge applied for your Skate Canada Fee as well as a \$20 administration fee that will accompany any granted refund. NO refund will be granted outside of the two (2) week period.

## **Medical/Injury Requests**

Medical/injury requests are to be CREDIT only. They will be considered after four (4) or more weeks have been missed by the skater and the Board of Directors reserves the right to request a medical note from a physician.

## **NSF Payments**

NSF cheques will be charged \$25 for the first cheque and will be at the discretion of the Treasurer as to further consequence.

## **Overdue Accounts**

Any member whose account is past due by 15 days will be notified. If the fees are not paid within thirty (30) days, all privileges of membership including the right to try tests and attend competitions will be revoked.

## **Fundraising Fee**

Mandatory fundraising fees are due at the time of registration. Fundraising fees are considered separate from registration fees.

## **Pre-Registration**

Members may register for the next season on or before the end of the current season. Current season registration rates are guaranteed. A minimum of 50% of the fees must be paid by the regular last skating day. Pre-registered skaters who choose to not return to the club will receive a full refund if the club is advised on or before the first day of skating for the new season.
