

African Art Activity

Flags

Each African country has its own flag of meaningful colors: green symbolizes the land, yellow symbolizes the sun, red represents the blood of ancestors, and black represents the people or African freedom.

Students will create their own flags using the colors mention above, be sure to ask them what the colors represent on their flags. Students made create their own designs for example: Smiley face, heart, zigzags, stars, polka dots etc.

Materials:

- Poster Boards
- Paint, Markers, crayons
