

Poses of the Body

En face devant

En face derrière

Croisé devant

Facing 1 with the right foot dégagé devant and the arms in 2nd position.
The head is well poised with the eye line directly forward to 1, and the shoulders and hips are square.

Facing 1 with the right foot dégagé derrière and the arms in 2nd position.
The head is well poised with the eye line directly forward to 1, and the shoulders and hips are square.

Facing 5 with the right foot dégagé devant. The arms are held in 4th position with the left arm raised. There is a strong lift in the upper body. The head is turned and raised so that the eye line is between 1 and 6.
