

placements of the Working Leg

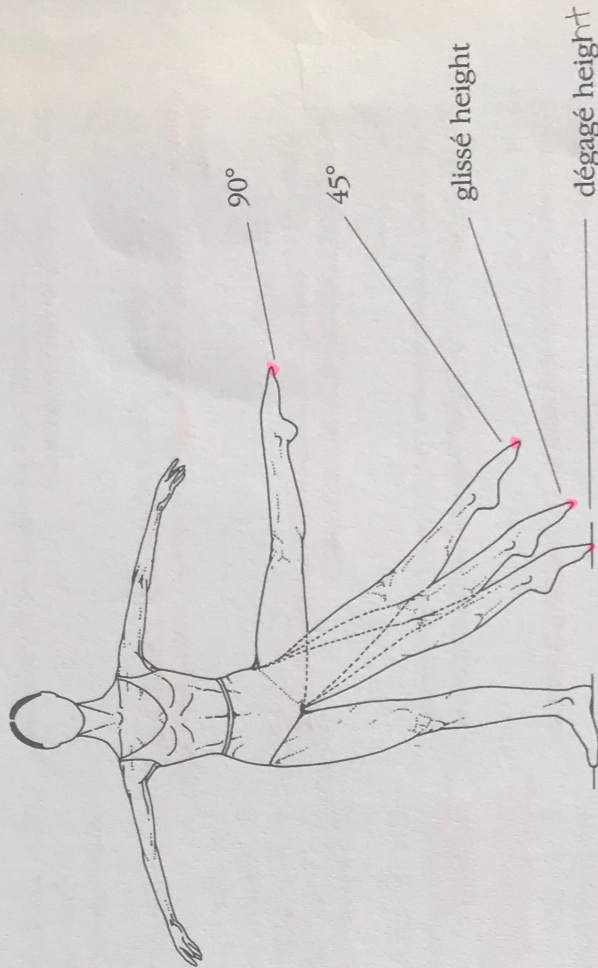

Placements of the working leg with the knee flexed:
cou-de-pied devant or petit retiré devant; mid-shin
height; retiré devant or pirouette position.

The working leg may also be placed to the side at
these heights: cou-de-pied or petit retiré; mid-calf
height; retiré.
Also derrière: cou-de-pied derrière or petit retiré
derrière; mid-calf height; retiré derrière.

Placements of the working leg extended to the
side: dégagé height; glissé height; at 45°; at 90°.

The working leg may also be extended to the front
or the back at these heights.
