

The Skin Tune - Prevention Guide

Personalized clinical skincare . Less but better . GlyMedPlus pharmaceutical-grade actives

What this path means

Prevention focuses on keeping your skin barrier strong and balanced while addressing early signs of change. Perfect if you're new to skincare or happy with your skin and want to maintain a healthy glow with a minimalist routine.

In-clinic treatments (best fits)

- Signature Facial (seasonal refresh + barrier support) - \$150
- Classic HydraFacial (deep cleanse + hydrate) - \$150
- Optional additions: LED \$35 . Ultrasonic \$30

Your simple 4-step home-care (AM / PM)

- Cleanse - gentle daily cleanser
- Treat- antioxidant serum (AM) . gentle exfoliant 2 -3x/week (PM)
- Balance - lightweight, moisturizer to support the barrier
- Protect - SPF 30+ every morning

Note: Specific GlyMedPlus Products are curated to your skin goals by your esthetician
