# SNBC Soundings

## Commodore's Corner

can continue our proud history of being the best boat club on Long Island Sound.

I would like to take a moment to thank our outgoing Commodore Clyde Mount. For those of you that have done extensive volunteering over the years, you know that there is much work that happens in the background to meet the wants and needs of the membership that many people don't see. PC Mount has never shied away from doing the work and taking on the jobs for the betterment of the Club. He has spent countless hours working to build the Club into the place it is today and his contributions will be felt for many years to come. Thank you again Clyde for all your hard work!

Next, I would like to congratulate the newly elected Board of Governors for 2026. They are Vice Commodore Don Remson, Rear Commodore Bill Bodie, Financial Secretary Diane Smilansky, Treasurer Rick McQuaid, Recording Secretary Paul Hiller, and Board members Russell Lajoie, Randy Blosio, John Daher, Reggie Borgia, Lewis Avrick, and PC Clyde Mount. Speaking for the Board I can say that we are all very excited about the upcoming year. The Board's first responsibility is to the membership so please do not hesitate to come to us with any questions/comments/concerns that you may have. We will all be working very hard to make the Club the best place it can be.

As we enter the winter season, there are already a few events on the calendar. The Kids Christmas Party will be the morning of December 7<sup>th</sup> followed by the Adult Holiday Party later in the afternoon. There will also be two Holiday Haberdashery Showcases on December 4<sup>th</sup> and December 7<sup>th</sup> for you to get any gifts you may need. There is also entertainment on the weekends for everyone to enjoy. With the boats out of the water and the temperatures dropping, we will be working on some events for the membership in the upcoming months to keep everyone engaged during the cold winter months.

In closing, I would once again like to thank the membership for allowing me the privilege of being your next Commodore. The South Norwalk Boat Club has always been a special place for me, and I am very excited to begin this new chapter. Happy holidays to all and I will see you around the Club.

Best Regards to Everyone,  
Commodore Jonathan Bove

# MARINA NEWS

With the marina now winterized and most of our boats covered, our winter hibernation has officially begun...

If you still have your boat in the marina and haven't notified the Marina Committee about winter storage plans, please do so as soon as possible. Storage invoices for remaining boats in the water will be going out shortly.

For those keeping boats in the water, please add extra lines, keep batteries charged, and ensure all pumps are fully functional. We can see some unusually heavy weather over the winter, so please stay prepared by checking your boats often.

All dry-stored boats should make sure that the areas below and around your stands and blocking are clear and safe, and that **no electrical cords are left plugged in overnight**.

## Dredging Project Update

We're excited to share some great news:  
**We have now received both our State and Federal permits for the dredging project.**

With this major milestone behind us, we are now preparing for the next phase—the bid process and scheduling. Over the next few months, we'll be working on bid specifications, contractor outreach, and determining the best timing for the work to begin.

More updates will follow as this moves along.

## Looking Ahead

The marina will officially open on **April 1, 2026** - only a short 18 weeks away!

Thanks to all for another great season, and let's hope for an early spring!!

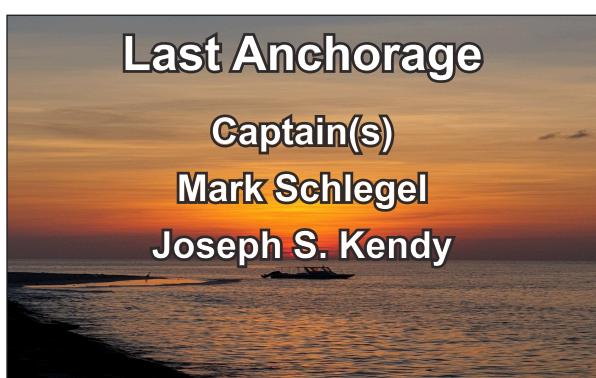

Marina Committee Chairman  
**Glenn Perschino**

## Last Anchorage

**Captain(s)**  
**Mark Schlegel**  
**Joseph S. Kendy**
