Commodore's Corner

Greetings to all South Norwalk Boat Club Captains. The Fall season is now upon us and with that comes the end of our boating season. We say this every year, but it seems to go by so fast. The yard will soon be filled, and the covers will be coming on. This Summer season was so successful and filled with great memories and fun. I would once again like to thank all our volunteers who put in countless hours for the benefit of our membership. From the Clam Bake to the cookouts to Cruise night, every event was very well attended, and I heard nothing

but praise. It is you, our volunteers, who truly make this Club run and ensure that it remains the best around.

While Summer may be ending, our fall event calendar is just starting up. The first big event that I know everyone is looking forward to is the return of Pasta Night. Last year was such a success and I know this year will be even better. The first Pasta Night will be held on October 20th, with tickets going on sale October 5th after the Monday night meeting. If you are planning to attend, make sure to get your tickets that night as the event always sells out fast. Trivia Night will return on October 22nd. Since we started holding Trivia Night, the event has grown and grown to the point where you can't even find a seat. Such a fun way to spend a night out. We will be holding our annual Roll Call Dinner on November 11th, with tickets also going on sale October 5th. For those of you who have never attended, the Roll Call Dinner is one of our most important events throughout the year, and the only one that is just for members. It is a night to honor our Life Members who have gone above and beyond to make the Club what it is today. It was announced last year that our current Life Members have put in more than 160,000 combined volunteer hours of service. Just incredible. It truly shows the commitment our Captains have to make our Club the best around. October also starts our election season for the Board of Governors. Self-nominations begin on October 5th and run for the rest of the month.

While the tiki season may be coming to an end, our weekend entertainment schedule is still going strong. We have had many great bands this year and that will continue as we enter the Fall. While everyone is sad to see the Summer go, there will be a packed calendar of events to enjoy at the Club. There is no better place to be as the temperatures cool. So, whether you are coming down for an event, dinner, a band, or just drinks with friends, we will always have something going on for you to enjoy. I wish everyone the best as we make this transition and I will see you around the Club.

Best Regards to Everyone,
Commodore Jonathan Bove

MARINA NEWS

Welcome to October!

Well, we survived the September Nor'easter this past weekend!

The marina held up very well through winds reaching approximately 55 mph and extremely high tides. All of the boats in the marina and those already stored in the yard came through the storm well.

We also had a tremendous amount of help preparing for the storm. Many members came down to help secure the marina, check boats, and make sure everything was ready before the worst of the weather arrived. After the extreme tides, we again had volunteers checking the marina and yard to make sure everything remained secure.

We did well, and we truly appreciate everyone who came down and helped!

As this storm reminded us, even though the summer boating season is coming to an end, we still need to remain prepared for Fall storms and Nor'easters.

Always prepare before the storms!

Fall Haulout

The Marina Committee will be having the travel lift inspected and serviced in preparation for our remaining fall haulouts.

We have already completed our Early Bird Haulout, with approximately 30 boats now in the yard.

Our final scheduled haulout dates are:

Friday, October 23rd & Saturday, October 24th

Starting at 7:00 AM

As always, we need plenty of volunteers to help with power washing, blocking, yard cleanup, and general grounds cleanup. This is a great opportunity to lend a hand and help keep the hauling operation moving safely and efficiently.

Breakfast and lunch will be served for all those appetites you work up!

Please remember that all Winter Storage Applications must have been submitted by October 1st.

Marina Closes November 1st

Please remember that the official boating season ends and the marina closes on November 1st.

Members with boats remaining in the water should plan accordingly and make sure they are following all Marina Rules and any arrangements made with the Marina Committee.

Storm Preparation

The September Nor'easter was a good reminder of just how important storm preparation can be.

If your boat is still in the water, please continue to follow

our storm preparation guidelines closely. Check your lines and fenders, replace anything that is worn or questionable, add additional lines when conditions warrant, secure loose equipment and make sure your batteries and automatic bilge pumps are functioning properly.

During storm conditions, outboard motors should be left in the down position.

Remember, each Captain is ultimately responsible for properly securing and fending their own boat and for any damage their vessel may cause to the marina or neighboring boats.

Boats Stored in the Yard

For those who have already been hauled, or will be hauled this month, please remember:

- Secure all loose covers and equipment.
- Do not tie boat covers to your boat stands.
- Do not leave electrical cords plugged in overnight.
- Shore power and extension cords should not be left on the ground when not in use.
- Keep the area around your boat clear of tools, equipment, debris and other potential hazards.
- Please help us keep the entire storage yard clean and safe throughout the winter.

Parking Reminder

Please remember:

NO OVERNIGHT OR EARLY MORNING PARKING IN THE MARKED YELLOW SPACES.

The travel lift may be operating at any time during the day, beginning as early as 6:30 AM and continuing until 7:30 PM. These areas must remain clear so the Marina Committee can safely operate the equipment and move boats through the yard.

Final Reminder

Fall is always a busy time around the marina. With everyone's cooperation and volunteer help, we can finish another boating season safely and get the yard ready for winter.

ALL DATES ARE SUBJECT TO CHANGE DUE TO WEATHER OR OPERATIONAL NEEDS.

Thank you again to everyone who helped us prepare for and get through the September storm, and to everyone who continues to volunteer during haulout season. Your help is greatly appreciated!

Thanks for your cooperation,

Glenn Perschino
Marina Committee Chairman

Roll Call Dinner

This years Roll Call Dinner will be held on Wednesday, November 11th, starting at 6:30 PM with appetizers and dinner at 7 PM.

This event is held each year to honor and recognize our Life Members, welcome this year’s new Life Members and to remember those Members that have passed away in the last year.

The cost is \$50 which includes open bar, appetizers and Filet! Tickets go on sale after the October 5th meeting.

2026 Club Elections

Self nominations open the first Monday of October.
At the first regular meeting in November, a list of all self nominated will be presented and nominations from the floor will be accepted.
Elections are held the first Monday in December.
If you are interested in running, please read Article IV in the By-laws to see if you meet the qualification or contact PC Clyde Mount.

Auxiliary News

We hope you are all enjoying the beautiful Fall season!

As we approach the end of the Auxiliary's fiscal year, we have a couple of important events coming up.

Elections will take place on **October 1st**, and our **Annual Dinner** is planned for **October 8th at 6:00 PM**. The new Board will officially begin its term following the Annual Dinner.

We are also looking for a **photographer for Auxiliary events**. If you are interested in taking on this role and helping us capture special moments throughout the year, please let me know.

We look forward to seeing everyone at our upcoming events and meetings. Thank you for your continued support of the Auxiliary!

Warmly,

Julie Ziegler
Auxiliary President
