

Merry Christmas and Happy New Year!

As the year ends, we reflect on the birth of our savior. There is so much to be thankful for in Jesus. He is growing and changing TLOWM (The Light of the World Ministries) for His glory. We have been incredibly blessed by His guidance and love through 2021.

*The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth. John 1:14*

## School News

TLOWM would like to congratulate Lumpa's school for being nationally recognized as top in the Western Rural District! Lumpa came in first during testing! In response to their outstanding performance, the government is bringing in a robust science program. Praise God, good education opens doors. God is preparing these little ones for the future. Thank you, teachers, for making this possible. Wonderful job students!

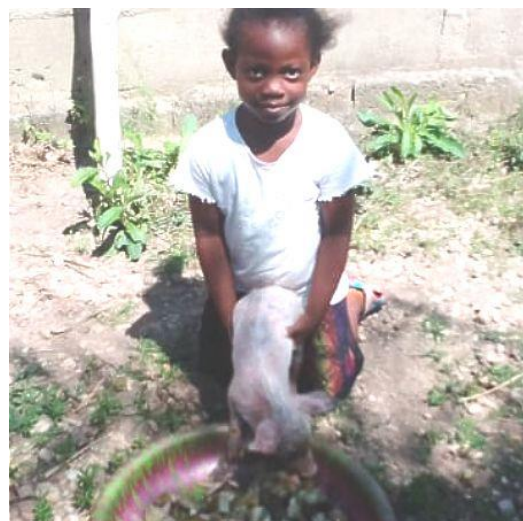

## Widow's Ministry

As many of you know, the widow's ministry built a large vocational center in Waterloo. They are helping the defenseless know Jesus and gain skills needed to survive. The mayor of the Western Rural District has approached the women asking if they would expand and minister to the destitute in the area. This is a huge testament to their character. Would you join us in prayer over this ministry? May the Lord give them wisdom and discernment. We are thankful for what they are doing to reflect the Gospel in Sierra Leone.

Did you know a portion of what these women earn is given directly to our orphan homes? They garden to sell the produce, and then give back to the children.

## Orphan Homes

The children are doing well. The Lord has been consistent and good to provide. Gbangbatoke is our largest home with 38 children, Tefeya houses 22 children and Gboyama 28. They enjoyed Christmas celebrations with Santa hats, a special meal, and gifts of new clothing. Thank you for generously giving to make this possible! Check out our Facebook page to see a cute clip of a Christmas song by the children from Gbangbatoke. A link is listed at the bottom of this letter.

We have a special prayer request for one of the children living in Gbangbatoke, his name is Gatewa. He became extremely ill and began vomiting blood this last week. Gatewa was rushed to the nearest hospital. We will keep you posted on his condition. Check our Facebook for the most recent updates.

*From The Light of the World Ministries,*

Thank you for your support and prayers. You help make this mission possible!
