# LIVING FOR JESUS

God is doing great things by revealing the truth of his word in beautiful Sierra Leone. The people of Sierra Leone have been through difficult times to say the least, from a civil war to the Ebola crisis. Yet God's goodness and faithfulness are evident as the truth of the Gospel is being shared. Even as Islam dominates the area, Christ's Church grows.

The economy is trending upward, and the future looks bright. However, these things take time. With limited resources, building maintenance can come second to more immediate needs such as food. There are instances when a building may crumble but the church will still find a way to meet. It's an inspiration to behold such dedication and love for Jesus.

We see Sierra Leone as a place to invest with God's kingdom in mind. When we say invest, we mean prayer, volunteering time, talents, skills and finances. There is great need coupled with people who desire to share the Gospel there. This is our heart and desire - TOGETHER we can change the world, one life at a time. All in the name Jesus, to him be all the honor and glory.

# A SMALL COMMUNITY AND BIG FAITH

This month we'd like to introduce you to Foya Village, a small community in Sierra Leone. TLOWM walks with the people of Foya in their desire to follow Christ and build a life around Him.

From Foya Village in Sierra Leone, this is Mr. Kamara a 3<sup>rd</sup> grade teacher at Philomath Primary School. We want to honor and thank Mr. Kamara for his hard work. His love for Jesus is reflected in the choice to serve the children and teach them about God.

This is Pastor Jeremiah Victor Moses of Philomath Church in Foya. We are so thankful for his dedication and service to the Lord.

Meet Mr. Sandy, Headmaster of Philomath school in Foya. Will you join us in praise and thanks to the Lord for leaders like Sandy who tend to the children's needs day in and day out.

The love of Jesus is evident in the staff's dedication to helping the children learn more about the Bible. May God continue to bless them with wisdom as they answer the call to love others and make disciples.

# WELCOME PIGLETS!

Congratulations to our orphan home in Tefeya for starting a pig farm to build a successful business. Our spirits are lifted with the sight and sounds of new life. If you'd like to help the children and their piggery in Tefeya, it costs \$35 a month to feed the piggies.

# THANK YOU CHAPLAINS

On Friday 11/5 an explosion and fires occurred due to a fuel truck crashing into a semi in Freetown, Sierra Leone. Many are injured and the loss of life is staggering. While none of our TLOWM family were involved in the tragedy, our chaplains have been dispatched. They need our prayers and support. We pray for the family and friends of the 99 who died, the 100 hospitalized, the market full of businesses now destroyed and our chaplains responding. May the love of Jesus carry our chaplains and the people of Freetown through this horrible pain and mourning.

Thank you for choosing to give to TLOWM. The dollar goes a long way in Sierra Leone! Every bit makes a difference. Thank you for choosing to give to TLOWM. The dollar goes a long way in Sierra Leone! Every bit makes a difference.

AGAIN JESUS SPOKE TO THEM,  
SAYING, "I AM THE LIGHT OF THE  
WORLD. WHOEVER FOLLOWS ME  
WILL NOT WALK IN DARKNESS, BUT  
WILL HAVE THE LIGHT OF LIFE."

*John 8:12*
