SCENIC HILLS  
NEIGHBORHOOD  
ASSOCIATION

EDITION 2

SEPTEMBER 7,  
2024

Supporting Neighbors in:

Scenic Hills, Scenic Hills North, Highlands at  
Scenic Hills, and Fairway Villas

## COME JOIN YOUR NEIGHBORS!

We want to send a big shout out of appreciation to Jesse Sproles, General Manager of SHCC. He has really strived to help our neighborhood come together as a community! Karaoke Night, every Wednesday, has been a huge success. Watching neighbors meet for the first time and laughing together has been so very enjoyable! It does not matter if you are a professional, sing mostly in the shower or along with the radio. It's the coming together that counts! Not to mention, laughter is good medicine. There are a few folks that get up and dance to the music. Come support the Clubhouse and make memories with your neighbors. If the Scenic Hills Country Club is successful, our home values will continue to increase.

## JOIN US

### NOT A SHNA MEMBER YET?

The SHNA board would like to personally invite you to join our neighborhood association. For those of you who are new to the neighborhood, Scenic Hills was established in 1958 and there was a homeowners association (HOA) in the beginning but it expired. The SHNA was established for the benefit of preserving, maintaining and enhancing the homes & property value of this community. Also to provide an open-door process by which all residents of the neighborhood can be involved in building a community. It is a completely voluntary organization. Being a member gives you a voice and provides you a way to address any concerns and issues you might have by providing a forum where discussions and solutions can take place.

Dear Scenic Hills Neighbors,

The Board is continuing to focus on future projects and fun events. **Coming up is the Fall Festival - It will be held at the Club House on Thursday, October 31 from 6pm to 9pm.** This will be followed up with our Annual Membership meeting in February of 2025; details to come. Our membership numbers are rising! If you have any ideas or items you want to address, please contact one of our board members or myself.

Our goal is to make this a safe, clean, well-kept neighborhood that compliments the Scenic Hills Country Club. We want to create a community of friendship through communication via our website, newsletter, and neighborhood gatherings. We are also joining forces with the Scenic Hills Garden and Social Club to provide more events and entertainment for all to enjoy.

Please call, email or text any board member or myself if you have ideas, questions, comments or concerns about the neighborhood. Please encourage your neighbors to join the association. The yearly fee is only \$100. **Your money goes towards keeping the common areas landscaped and an Escambia County Deputy Sherriff who patrols the neighborhood.**

Thank you!

Jo Moore, SHNA President

Dearest Neighbor,

As summer days come to an end, school bells are ringing again and so there goes another summer. With that being said, many of us are past the days of rushing children to school and sporting events. Now we get to enjoy the fruits of our labor. It's that special time of the year for our Scenic Hills Garden and Social Club to start another year. I would like to personally invite you to come join us! You don't have to have a green thumb! No matter the age young and old are welcome to join. My goal is to stimulate your love of beauty in the your yard, garden, home and life, and to cultivate new friends and renew old ones. Our topics this year will vary from gardening, beauty, health, nature and entertaining.

September 19th is our first meeting for the 2024-2025 year. And, we are excited to be celebrating our 60th anniversary! We have so many wonderful guest speakers and events lined up this year. The meetings are every third Thursday, held in the beautiful ballroom of Scenic Hills Country Club. We begin socializing at 11:00am and start the meeting at 11:30am. There is always a delicious meal, dessert, and beverage and the cost is \$25.00. The yearly dues are \$25.00 with a portion of that money being set aside for Christmas gifts purchased for our Christmas Children's Fund.

If you are wanting a sweet, friendly environment to meet new friends Scenic Hills Garden Club is the place to start. Also, if you need a ride to the clubhouse let us know.

Please **RSVP** for the Sept 19th 60th Anniversary Meeting no later than Sunday, September 15th to:

Delaine Bean at **850-450-4960**

or send an email to **scenichillsgardenclub@gmail.com**

I will be happy to answer any questions and I look forward to meeting you.

Sincerely;

# Scenic Hills Country Club News

The rumors and the truth:

Rumor: This rumor has been a point of contention for some time. Will the billboard sign at the entrance, which is falling apart, be replaced?

Truth: Yes! The new sign is already bought. Money provided by SHNA was used to pay for the electrical connection and has been in an escrow account with the electric company. Permits have been acquired and the GM is working with contractors to perform the installation.

Jack’s 2 cents:

It’s a beautiful day in the neighborhood, a beautiful day in the neighborhood. Would you be mine? Would you be mine? Would you be my neighbor? **Mr. Rogers**

## Mama’s Kitchen

### Chicken Zinfandel w/Gravy (serves 6)

This is an easy and delicious recipe - One of my favorites to prepare for special dinner guest. I call it Chicken Zinfandel because that’s the wine I had on hand the first time I made it. You may call it Chicken Chardonnay or Chicken Pinot - as long as it is always a white wine!

- Ingredients:  
3 chicken breasts  
Milk  
Swiss Cheese - sliced thin  
Italian bread crumbs for dredging  
Tabasco sauce  
Italian seasoning / Herb Provence  
Salt and pepper  
Fresh Grated Parmesan Cheese  
Can of Cream of Chicken soup (I prefer Organic Pacific - you can find it at Publix)  
White wine (Chardonnay, Pinot, or Zinfandel)

Preheat oven 375 degrees. Slice chicken breast in half to make six pieces - tenderize gently with meat mallet or vigorously to get your frustrations out. Place chicken in bowl and cover with milk. Add tabasco until milk is pink - it won’t make it spicy hot just tasty; set aside ... at least 20 minutes.

In a separate bowl, combine 1 cup of Italian bread crumbs, 1/4 cup fresh grated parmesan cheese, Italian seasoning, salt and pepper.

Take chicken breast out of milk and dredge in Italian bread crumb mix. Lay 1-2 slices of swiss cheese on top and gently roll chicken up & place on a greased pan. (I use butter, coconut oil or Olive oil) Repeat for all chicken breast pieces. I try to not let them touch - sprinkle a little extra bread crumbs on the top of the chicken to make sure they’re covered.

Cook for 30 minutes or until done to your liking.

While that’s in the oven prepare the gravy. Take a sauce pan, combine 1 can of cream of chicken soup and use that same can to measure 1 can of wine. Mix together. Season with salt/pepper and a shake of Italian seasonings. Cook on low for 10 -15 minutes.

I serve the gravy in a gravy dish or bowl - so guest can pour over their chicken. This is great served w/mashed potatoes, roasted carrots and English peas.

Don’t forget the Sweet Tea!

Then ENJOY!
