How to save money on your taxes & donate to organizations you care about.

YOU can make a difference when you file your taxes this year. The federal government and the state of Arizona offer tax credits for your taxes. This means that the taxes you owe will go to a recognized non-profit organization instead of the government. LADS, Mulligan's Manor & HALO are all 501c(3) organizations. Why not donate to an organization you care about instead of just paying Uncle Sam? Please consult your tax advisor before making any decision, but please ask the question. Even the smallest donation can make a difference.

Andy Warhol once said, "I never read, I just look at pictures." Another more popular quote is "a picture is worth a thousand words", but no one really knows who actually said that. I think we can all agree that a picture can immediately bring back a memory, so I am saving the typing of ~~thousands~~ ~~hundreds~~ ~~dozens~~ of words and advertisements of Campbell's Soup and replacing them with pictures. I hope you enjoy.
