LADS General Meeting

Doug Edwards has informed the Executive Committee that he will be stepping down as the LADS Historian. We are saddened that Doug will be unable to continue in this role, but understand that he is doing what is best for both himself and the club. While this may be sad news, there is always a silver lining; there is now an opening for someone who would like to step into this role and assist the club in chronicling LADS events and help lead us into the digital age as we begin creating our digital archive. Please contact Jeff Granberg at (602) 301-1740 or email LADS at ladsphxaz@gmail.com if you would like more information or to express your interest in the Historian role. This also means that we now also are in need of a chairperson to lead our LADS cookbook initiative. Don’t be shy, LADS needs you!
