We knew that this was going to be a fun event, but we had no idea just how much fun. You always have high hopes when planning a fundraiser, but to have such a great turnout & raise $736 really exceeded our expectations. There are a few people that we need to give some thanks to: Karime Lizzaphi and Charmaine K.C. Honeywell hosted the show & did an amazing job, the performing Oz Bar employees Mike, Aaron and Brandon, an additional thank you to both Mike & Aaron for the planning and arranging of the event, Miss Novia for her classic number from A Chorus Line and the two homeless drag queens that wandered in during the show & somehow ended up on stage. Let’s not forget to give thanks to Oz Bar and Kevin Tullock, without whom this event would not have been possible.

LADS would like to extend a special thank you to Audra Piper (pictured on the left between our two hostesses). She donated back her 50/50 raffle win.
We were so lucky to have the co-hostesses lead us through the Turnabout show & their performances were polished, entertaining & left us all wanting more...but it was the staff of Oz Bar that really brought the house down as they traded in their ice-scoops & bar towels for wigs, make-up & new personas. A very big thank you to our bartenders Aaron and Brandon and our bar manager Mike. There has been a lot of buzz about their performances, they may have to do this on an annual basis to keep their fans happy.

Logic puzzles (also known as "logic grid puzzles") require the solver to deduce the relationships between different people, places and things based on a limited number of clues given in the puzzle. Remember: every item on the board belongs to one and only one person, no item will ever be shared. Using only the clues provided and simple deductive logic and reasoning, fill in the grid with X's and O's to determine the solution.

In an effort to increase awareness & participation in the traditions and recognition that LADS celebrates every year, we will be including reminders about the LADS annual awards throughout the year. We had our first reminder a couple months ago, and with the Humanitarian Char Award right around the corner, it is time to focus on this award & remind everyone that nominations are coming soon.

**Humanitarian Char Award**: This award is presented to any individual who has given their time, energy & support throughout the community. This award is not LADS focused, but is recognition for helping other individuals and/or organizations via volunteerism, sponsorship, etc. (Nominations in Sept., awarded in Nov.)

Sadly, there were no nominees for this award in 2016. Let’s not let that happen again & give someone this recognition and keep this LADS tradition going.
