Well, another campout has come & gone, but the memories will last a lifetime. This edition of the LADS newsletter will celebrate the new friendships, carnival atmosphere, cold nights, warm hearts, anniversaries, campout food (& other edibles), art projects, fun & games, and joy that this annual event brings us.

Step right up & join us on the LADS Midway. What's your pleasure, a little fortune telling, how about a game of chance? Can you throw darts? Have you ever whacked a Ho? Popcorn, hot dogs & beer...sounds like an awful lot of fun to me! Pictures speak louder than words, so here you go!

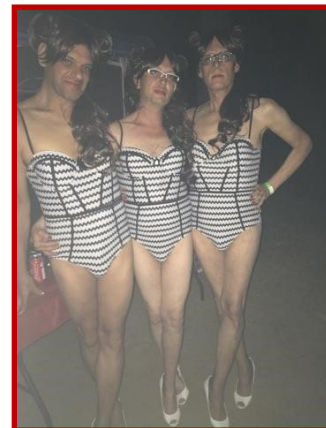

It was not uncommon for Jack to dress up & keep people laughing. In an effort to keep that tradition going, we introduce to you, the **LADettes**. Join us again next year at the *Scarlet Fever Lounge* for cocktails prior to our Variety Show.

Another fun art project took place on Sunday. This year we made handprints; they will frame the beautiful wall hanging at Oz Bar, last year's project. We will have all the supplies ready & available at the Survival Party (Sunday 10/2, 11:30am) to make additional prints for those of you who were not able to stay and take part at campout.

The Perfect LADS Campout

I thought perhaps we could try something new for this month's recipe. I am going to add the 1st ingredient for what makes the perfect LADS campout. Now the rest of the recipe is up to you; what ingredient do you think is necessary for The Perfect LADS Campout? I will gather all the ingredients together & publish the recipe in next months newsletter. Don't be shy, put on your apron & chef's hat & start cooking!
