# May Challenges

Participate in the May Challenges and you will get a free drink. If you get both challenges correct; you will have a chance to win a Bar tab from Oz. A drawing will determine the winner if multiple amigos get the challenges correct.

## Clown Riddle

A clown has to cross an extremely long bridge in one trip to reach the other Carnies. He is carrying four bags of gold, each weighing ten pounds. The clown weighs one-hundred-and-twenty pounds. The bridge, being old and swing-y, can only hold one-hundred-and-fifty pounds. How does the clown cross in ONLY one trip with all his gold?

Think about it...
