## LADS Charity Texas Holdem Tournament

LADS sponsored the LADS Charity Texas Holdem Tournament at Oz Bar on Friday night, June 22, 2018. Thank you to all the poker players or participating in the tournament. Thanks goes out to Mikey Philips, OZ Bar manager for all of his support. An extra special thanks to the LADS volunteers: Brian Alexander and our own Ladettes, (Carl Perkins, Jim Calbreath and Chris Skowron), they sold Jell-O shots and 50/50 tickets.

The winner of the poker tournament was Eddie who received \$100 cash. Kandi won the \$50/50 for \$80. A big shout-out and thank you to OZ Bar for supporting LADS. LADS raised \$857 at the Poker Tournament.

Mikey Phillips, Jeff Granberg and Eddie

## Campout Rally Donations Needed

In preparation of the Annual Campout Rally, we need donations for raffle prizes. Amigos, please reach out to your local shops and friends to garner some great items to be used for the raffle. All proceeds from the raffle will be used to offset the Campout expenses. If you have a donation for the raffle, please let an Executive Committee know. THANKS!!!

## Volunteer Opportunity

**Executive Committee Position Available:** we're looking for a person to help out with the LADS organization. Without this position filled, it adds extra responsibilities for others. Please let Jeff know if you're interested.

**Historian:** The Historian shall take photographs at Club functions and maintain a photo library of these photographs.

**LADS Member Shirts:** Wear your shirt to the general meeting and have a chance to win a free drink.

## Cake Theft

During a recent police investigation, Chief Inspector Stone was interviewing five local villains to try and identify who stole Mrs. Archer's cake from the mid-summers fair. Below is a summary of their statements:

Arnold: it wasn't Edward  
it was Brian

Brian: it wasn't Charles  
it wasn't Edward

Charles: it was Edward  
it wasn't Arnold

Derek: it was Charles  
it was Brian

Edward: it was Derek  
it wasn't Arnold

It was well known that each suspect told exactly one lie. Can you determine who stole the cake?
