Hello and Welcome!

Welcome to the October issue of L.A.D.S Happenings. Campout 2023 is in the books. It looked like fun was had by all! The pictures were amazing, and the stories will be retold for a long time to come! L.A.D.S is grateful for all of you that followed the Yellow Brick Road to the Prescott woods and made the campout one in a long series of successful campouts. Thank you to all who participated!

Up next is the autumn and winter season with a plethora of awesome events, meetings and get togethers that make this time of year special every year. Let's not forget that it is also the time that our thoughts return to Mulligan's Manor and the good that we can do for youths that are in need. It's the time of year for giving and receiving so let's get the last quarter of the year started off on the right foot!

We want to thank each and every one of you for your contributions to our L.A.D.S. charities and to the overall health and vitality of our group. You are all an essential part of what we do. Cheers!
