REQUIREMENTS:

For work to be accepted into the competition, read the following carefully. Work not in compliance will be removed from the jury process.

A NOTE FROM THE GALLERY:

For optimum presentation in this space, place hanging apparatus **6” or less** from the top. Work wired **more** than 6” from the frame top may have to be adjusted [with staples or tape] so, it does not fall forward or swing away from the wall.

GENERAL:

- We have no size restrictions-but for *unusual* installations please contact us.
- Work must be produced in the last two years
- Cannot have been previously shown at Gateway Arts Center or Gift Shop
- **PLEASE! No SAWTOOTH or Factory Hangers- they have failed.**
(Install EYEHOOKS & WIRE. If you need help, we fix it at drop off.
- Fiber Art must have sewn sleeves and fitted dowels with eye hooks.
- Canvas Art: 1 1/2” Gallery Wrapped canvas sides *must be painted*
Please frame canvases with sides less than 1 1/2 in width”.
- 2D work must be presented in a professional manner- clean mattes, glass & frames before drop-off.
- 3D work must be less than 40 lbs. and completely assembled.
- Installations must be assembled for the Jury process and easily moved to a final display location. You may be required to be available during the hanging schedule for very complex pieces.
- Individual work may be sold at any time during the show- otherwise the remainder must be in place for the published duration.
