

New Outlaw Band

New Outlaw Band is a Country / Rock and Roots band, with a New Jersey blue collar feel, Southern Soul, and Texas sizzle.

Based in Vancouver Canada, these four friends have been playing music together for several years. The New Outlaw Band is a reflection of their history and love of music, and their songs have been heard on Country radio across BC, Alberta and Saskatchewan, rocked the main stage at the annual Cloverdale Rodeo in BC, and brought the house down on stages across the Country! If you get the chance, come and see the band do what they do best... put on a live show you wont ever forget! See you soon on across this land.
