

# Our Solutions

## Educational Consulting & Custom Workshops

Transform generic, ineffective training into engaging, results-driven learning experiences. Dr. Steph's expertise ensures your team not only learns but applies new skills effectively in the workplace.

- Bridge skill gaps with tailored training programs
- Improve employee performance through expert-led workshops
- Ensure learning translates into practical workplace improvements

## Restaurant Financial Management

Say goodbye to financial uncertainty in your restaurant. Miss Jen's specialized bookkeeping services address the unique challenges of the restaurant industry.

- Gain clear insights into your restaurant's financial health
- Make informed decisions based on accurate, industry-specific financial data
- Streamline your bookkeeping processes for improved efficiency

## ServSafe Food Safety Training & Exam Proctoring

Ensure your restaurant meets all safety standards with our comprehensive ServSafe training and certification.

- Stay compliant with food safety regulations
- Reduce risks associated with food handling
- Boost customer confidence in your establishment

## Team-Building Workshops

Break away from traditional team-building activities. Our workshops offer a unique blend of creativity, mindfulness, and collaboration.

- Foster teamwork through hands-on, creative activities
- Provide a stress-relief outlet for your team
- Enhance problem-solving skills in a non-traditional setting
