

## HHGR Research Project Initiative Modify Mobility Scooter To Use As An Alternative Cart On The Course

### Golfers With Health Issues Or Mobility Limitations

### Extends Capabilities Of Atto Sport Scooter On & Off The

### ATTO SPORTS MOBILITY SCOOTER

HHGR Is An Influencer For ATTO Sports Mobility Scooters

Contactus@hhgr.info regarding various programs we can offer.

### HELPING HANDS GOLF RESOURCES RESEARCH ACTIVITIES

- ◆ Develop a golf bag attachment for the scooter that is light weight and is able to store in your golf bag after a round. Golf bag types: carry bag, bag with legs or cart only bags.
- ◆ Evaluate 3rd party products to enhance the golfers experience.
- ◆ Test scooter in various golf terrains & determine any modifications that need to be added by the scooter engineers.
- ◆ Develop tutorials on how to use on a golf course following GCSAA (Golf Superintendent Association of America) guidelines.
- ◆ Focus on individuals that have various health issues or mobility limitations that are NOT in a wheelchair 100% of the time. However, due to endurance or strength limitations a wheelchair is their only solutions to get around.
- ◆ **Work with individuals to achieve more independence and enjoy their new freedom of not being dependent on wheelchairs or walkers.**
- ◆ Set up programs and fund raising opportunities to have their lives change forever.

#### Why Was Atto Sports Mobility Scooter Selected

- ◆ **Cost Effective—\$3999- \$4599 With Cart Cover For Course**
- ◆ **Compliant With ADA Mobility Scooters Guidelines.**
