

Together We Can Make Golf Simpler For Everyone

About Helping Hands Golf Resources

Helping Hand Golf Resources (HHGR) looks for various programs or products on the market. That can help a golfer get back on the course or assist them in playing golf. We also help develop golf aids to bring to the market.

- ◆ We are a virtual organization utilizing information from research conducted on various products & programs. Then share reviews of our findings with our website visitors and blog subscribers.
<https://www.helpinghandsgolfresources.com> or <http://www.hhgr.info>
 - ◆ We focus on medical research, physical therapy solutions, training resources and golf products. That can be utilized to help a golfer with limited mobility or health issues to play golf.
 - ◆ We represent three products: **StepKick Caddy®**, **TeeHelper Pro Plus©** & **REACHERGOLF©**.
1. **StepKick Caddy®** is a preventative health measure product and club management golf aid .For any golfer to have in their bag to prevent unnecessary bending and provides portable club management on the course.
 2. **TeeHelper Pro Plus ©** is a **Foldable Reacher** with a 3D golf design cup. Focused at various levels of health issues that golfers may be experiencing and assist them in playing golf.
 3. **REACHERGOLF©** is a **Telescopic Reacher** with a 3D golf design cup. Designed for the golf community as a **utility golf aid** for various situations that may occur on the golf course.

**We are looking for Golf Courses, PGA Professionals and the golfing industry
& health community to work with us.**
