God Continues To Provide Opportunities

DETAILS

In another one of those "Only God" events, He has provided BTS with another flip house project. We will close on the above house on Monday, August 31 and by God's great grace and with your help we will launch this project on Saturday, September 5. We are calling it the BTS/KDO Project. We believe it offers great potential to help fund the Ministry of Beyond The Storm.

We want to launch this project bathed in prayer so we will plan to meet at 9:00am for PRAYER, then begin demo at 10:00am. We expect to wrap up by 4:00pm. WE WILL PROVIDE LUNCH and have the tools we need.
