

What To Pack

Brewton, AL

November 7-14, 2026

On Behalf of all of us here at BTS let me say thank you for making this Brewton, AL deployment possible. I say it every time we deploy because it's true... we are never happy about the need to deploy but when there is a need, we are eager to respond. Being with you, our dear friends is the upside to these deployments. There has been so much tragedy and hurt in this area and I believe HE is pleased with your faithfulness. This is one of our shorter trips with no overnight stay required but the need is great and God & SP have made it possible to go serve our King there. Thank you for being onboard.

In an effort to make your deployment as effective, efficient, and safe as possible, we have prepared these guidelines.

Personal Items

- ☐ **Sleeping Bag and/or sheet(s) and a pillow. A blanket (or two) (It can be cold in sleeping quarters)**
- ☐ **Air mattress or Cot if desired. We will be sleeping on the floor at our host church.**
- ☐ **We have found that the "high-top" blow up mattresses are by far worth the investment. MAKE SURE YOU ONLY BRING A "TWIN SIZE" MATTRESS or cot. This is an SP Requirement. BTS does have 4 or 5 cots available for use if you want to use one. YOU MUST LET LESLIE KNOW (727-709-1754) and some people like to bring sleeping bags or pads for the top of the cot. We do NOT have pads.**
- ☐ **Towels and wash clothes**
- ☐ **Toilet articles including soap and shampoo**
- ☐ **Drivers license for ID purposes if you have one... if not some kind of picture ID**
- ☐ **Cash and/or credit/debit cards (needed only for incidentals, souvenirs, etc.)**
- ☐ **Health insurance card if you have one.**
- ☐ **Personal Snacks if you have special needs or desires**
- ☐ **Flashlight (optional)**

Clothes

Just Remember this as you think "what clothes do I take." Temperatures are projected to be in the 70's* day time (60's evenings). Sometimes sleeping quarters can be cold or hot. Be prepared for either. AND a light blanket or throw for the bus could help too.

- ☐ **We will work in long pants. NO shorts. It's a "hurricane" deployment so it's mostly outside work**
- ☐ **SP will provide shirts for daytime (required)**
- ☐ **We will provide work gloves.**
- ☐ **You will NOT be allowed to wear "open toed" shoes or sandals. Hard soled shoes are desirable.**

Health and Medical Items

- ☐ **Prescription and over the counter medicine for the expected length of stay**
- ☐ **Sunscreen if you want or need it.**
- ☐ **Extra pair of glasses or contacts if applicable.**
