Together We Make A Difference

We're Making Great Progress

We anticipated that we would come in a bit short of the 31 for Day One, and we did, but we had a really good team of Volunteers last week. We still have more demo work to do. We have scheduled two work days this week. Friday & Saturday (Sept 18 & 19) . There's something for everyone so if you are free, please join us. The address is posted above.

We know there are volunteers who are not able to do the physical labor but who might be willing to provide lunch for the team. If that's something you can do, there's a place on the "Availability Form" for you to indicate that.
