

Next Work Days (Limited)

November 14 & 15

9:00am - 4:00pm

Read Carefully -- We Are Back at work...but!

We have so much work to do at the BTS/HFM-3 house and we are eager to press forward...HOWEVER, there's no real light easy work. This will be heavier and more demanding. How do I say this without being sexist, demeaning or offensive? **LADIES YOU PROBABLY DO NOT WANT TO COME FOR THESE DAY, because...**

We have some exterior walls to build, an interior floor to demo, footers to dig, new walls to build, Windows to install, AND.... more. 

GUYS...IF YOU CAN JOIN US... PLEASE DO.

WE'LL BUY LUNCH!
