

Go Bird Go™ 4G/5G LTE Smart Bird Feeder

Consumer, Media & Editorial Product Specification Sheet

Product Snapshot

The world's first **cellular-connected bird feeder** — engineered in Kansas, tested in the field, and ready to bring AI-powered bird recognition and 24/7 wildlife monitoring to backyards everywhere. Unlike Wi-Fi models, Go Bird Go™ runs on **4G/5G LTE**, letting you place it *where birds actually are*.

Physical Specifications

- **Dimensions (Unit):** 11.4" (L) × 9.4" (W) × 9.6" (H) (290 × 240 × 245 mm)
- **Weight (Unit):** 4.1 lbs (1.85 kg)
- **Materials:** ABS + polycarbonate body, acrylic seed container, stainless steel perch
- **Colors:** Blue, Red, Yellow, Orange, Pink (limited editions) Available in Blue White-
- **Weatherproofing:** IP66 rated, UV-stabilized housing

Power & Connectivity (Delivered to Consumer-Fully Charged)

- **Cellular:** 4G/5G LTE-ready, multi-network IoT nano-SIM included (*no Wi-Fi required*)
- **Battery:** 4000 mAh rechargeable lithium battery
- **Integrated Solar Panel:** High-efficiency roof panel for extended power — supports **months of operation on a single charge cycle**
- **Charging Port:** USB Type-C backup charging option
- **Operating Range:** -10°C to 50°C (14°F to 122°F)

Camera & Sensor Technology

- **Resolution:** 5MP, 2.5K HD wide-angle lens
- **Night Vision:** IR + LED spotlight
- **Audio:** Built-in microphone & speaker (2-way talk + deterrent mode) options
- **Detection:** PIR motion sensor with real-time push alerts
- **Squirrel Deterrent:** Integrated siren ad on

AI & Software

- **Bird ID Database:** 11,000+ species (including 300+ hummingbirds)
- **Cloud Storage:** Unlimited, free for 12 months (Select Plans)
- **Local Storage:** Up to 128GB Micro SD card
- **App Integration:** iOS & Android live view, instant push notifications
- **Sharing:** One-tap share to text, Facebook, or email
- **OTA Updates:** Automatic feature upgrades
- **Real-Time Identification:** Push alerts display bird name with photo, powered by AI

Setup & User Experience

- **Pre-Tested in Kansas:** Stress-tested in Kansas fields before shipment
- **Plug & Play:** Ships pre-activated with SIM installed
- **Activation:** One-step QR code scan
- **Arrives Fully Assembled:** Just fill with seed, mount, and power on

Included in the Box (QR-Code) Easy 1,2,3 Set-up...(Fully Assembled)

- Smart Bird Feeder with LTE camera
- Mounting bracket + strap + screw kit
- USB Type-C charging cable
- Quick Start Guide
- *(Optional solar panel sold separately)*

Key Differentiators

- **No Wi-Fi required** — place in rural, suburban, or park settings
- **First-ever 4/5 G LTE nano-SIM smart feeder** (assembled & tested in Kansas, USA)
- **Cloud storage ready — complimentary access available on select purchase tiers**
- **AI-powered recognition** with real-time education & alerts
- **Night vision + squirrel deterrent** for 24/7 coverage
