	1x floor tom mic 1x floor tom mic 2x overhead mic <sup>(1)</sup> XLR feed to mixer for IEM 240v AC power x1	

# *Hellfire Club*

## **Notes:**

1= As appropriate for venue

\*= Depending on venue, bassist may prefer to use pedal DI to FOH in place of head & cab

Click track is monitored by drummer and does not need to be sent to FOH

Drummer IEMs are hardwired

Guitarist uses wireless system where possible

Items in black, red or orange on stage plot to be provided by venue

All other items on stage plot form the bands own equipment

Happy to work with venue backline is preferred

Mic suggestions etc. are just that and not a requirement. We trust you!

Stage banner is B1 fire rated. Band will provide cable ties

All power must be surge protected please
