

I'm Ready

A SEASON OF DISCOVERING
WHAT'S NEXT

I know it's time for something new.
I may not know exactly what that is yet,
but I'm ready to begin exploring
the possibilities.

A Reflection

The next chapter of your life is waiting for you. You don't have to have it all figured out. You just have to be willing to begin asking new questions and being open to the answers.

You don't have to know exactly where you're going.

You just have to be willing to begin.

ASK YOURSELF

What has been quietly calling my attention?

What possibility have I been thinking about but haven't explored?

What is one small step I can take this week?

Remember

You don't have to see the whole path.
You only have to be willing to take the next step.
