# YOUR FILM PRODUCTION

## AUSROADS PROVIDES TRAFFIC MANAGEMENT AND SECURITY SOLUTIONS FOR ALL YOUR FILM PRODUCTION NEEDS...

At Ausroads, we aim to exceed expectations with our clients by providing a vast range of services and innovative solutions to fulfill all their traffic management and security needs. We provide a high-quality service at very competitive rates.

## TRAFFIC MANAGEMENT

Our management team have years of experience working with film productions and film crews, and we believe our passion for the industry reflects in our service.

### **Meet our Management Team:**

**ANTHONY NESCI – Managing Director**

**JASON BUKOVAC – Business Development Manager**

**ARIELA BARNES – Operations Manager**

**KATIE BUKOVAC – Planning & Operations Coordinator**

Ausroads understands all aspects of the film industry and understand that it is very different to providing our traffic services for construction and events.

Our staff are always there to assist and understand the dynamic nature of the Film industry.

Ausroads offers the highest quality traffic controllers who are all well trained in providing the safest sets and are always ready to **“Lock it down.”**

---

# SECURITY

**IN COLLABORATION WITH  
CALIBER SECURITY GROUP,  
OUR SECURITY SERVICE IS  
LIKE NO OTHER...**

Along with a few Veterans of the film security industry, the security guards are also well trained in fulfilling all a film production's needs when it comes to security.

The security guards understand that they are not there as a nightclub bouncer but are there for safety and customer service. This means that the security teams are there to assist with the film crews needs and understands that their politeness with the public is paramount.

The security guards also understand that Parking Holds is one of the most important aspects of their job and can mean all the difference on how efficient the shoot can run, so all guards are well trained in handling all parking hold situations.
