

Corner Brook Pulp and Paper Limited would like to advise that consultation for the preparation of the Five-year Forest Management Plans for Planning Zone 5 has begun. Zone 5 represents Forest Management Districts 10, 11, 12 and 13. Currently, in this zone, Corner Brook Pulp and Paper has timber rights in District 10 only.

We invite the public to review the proposed 5YP maps and complete an online form if they have questions or concerns. The person or group will be contacted.

The Company encourages participation from all residents and groups including government agencies, community leaders, commercial contractors, domestic wood cutters, outfitters, environmental groups, and other non-governmental organizations.

Forest Management Zones and Districts
