The Ends

- This is a story about who we are as a people.
- Where we come from and our background.
- Life stories and lessons we can share.
- Being proud from where we came from and our identity.
- Promoting Islam and its values.
- Dismantling stereotypes and calling out misrepresentation.
- Enjoying making and consuming Halal Muslim Entertainment.
- educating others so that they may understand and come to a common ground.
- Creating unity.

What is needed

- Voice actors
- Idea generation - concepts, topics and using scenarios from our lives for realism.
- Scripting and unscripted acting utilising ad-lib (impromptu, improvised, unrehearsed, spontaneous) making it up as you go along being in the moment.
- Promotion once ready share with as many people for effectiveness.
- Purpose remember we are doing this mainly to promote Islam to Muslims and non-Muslims, think of it as fun dawah!
- All are welcome to take part!
