## BE MINE VALENTINE

*My husband says Valentines Day is for people who are dating and love shouldn't be designated for one day per year. I think he's just trying to get out of buying me something pretty. I do partially agree with him because love should be celebrated daily. But give me a break, I'm a romance writer of course I think Valentines Day should still be celebrated. This ones for you Hallmark*

## OUTLANDER

*My first book club read Outlander on the suggestion of my Best Friend Maria. I was excited to have her onboard, so I ordered the book on Amazon and it was delivered to my door the very next day. I started reading and between the Scottish dialect and the time period I was completely lost. Confession time... I watched the first season on TV and once I was exposed to language reading the book was a breeze.*

## YOU GOTTA TRY

*Have you been to Lush? Hand made bath products like bombs, melts and bubble Bars. I'm addicted to Lush. It's truly a sensory experience the delightful fragrance, the vibrant colors, the shimmer of glitter and the bubbles will fill delight your body, mind and spirit. Now grab a good book and get in the tub. You deserve it!*

## CARPE DIEM

*After the death of her Nona, Isabella received a note that changed the direction of her life. Two little words, nine letters was all it took to make her decide she deserved better. She packed her bag and traveled across country to California. She was determined to make her dreams come true. No, she didn't want to be an actress. She had a different dream. She wanted a new life and that is exactly what she was going to get.*

*I'm so proud of this book and I can't wait until it's finally published.*

## CHRISTMAS IN WINCHESTER

*Christmas in Winchester is with the editor right now and I am on the edge of my seat wondering if it will be done in time for Christmas! If all goes well the answer to that question is a resounding YES but if not we are looking at a January release. I still watch Christmas movies in January and February why not a Christmas book too!*
