DRAGON'S REST  
QUEST

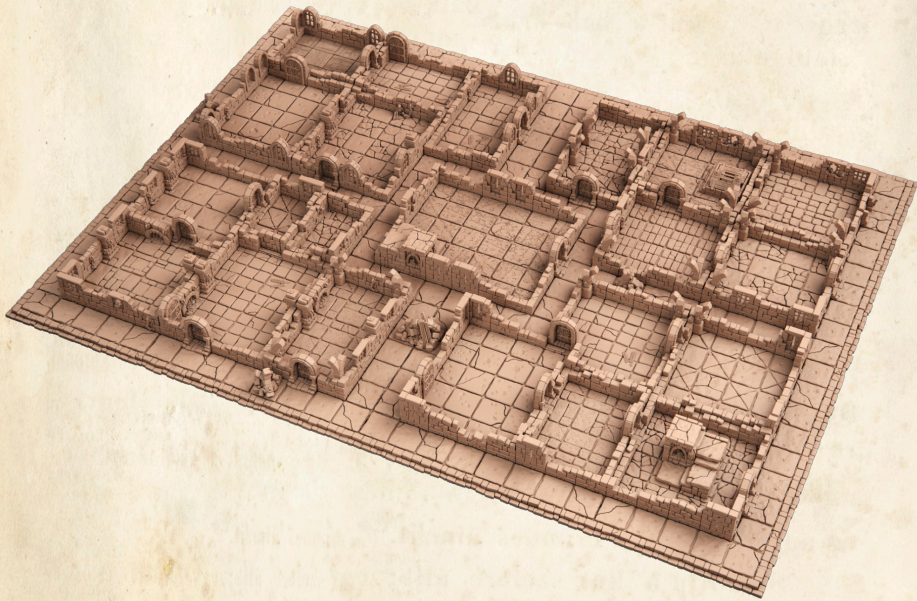

BOOK I

SUGGESTED TILE PRINTING GUIDE FOR  
EVERYONE'S FAVOURITE DUNGEON CRAWLER

## INTRODUCTION

---

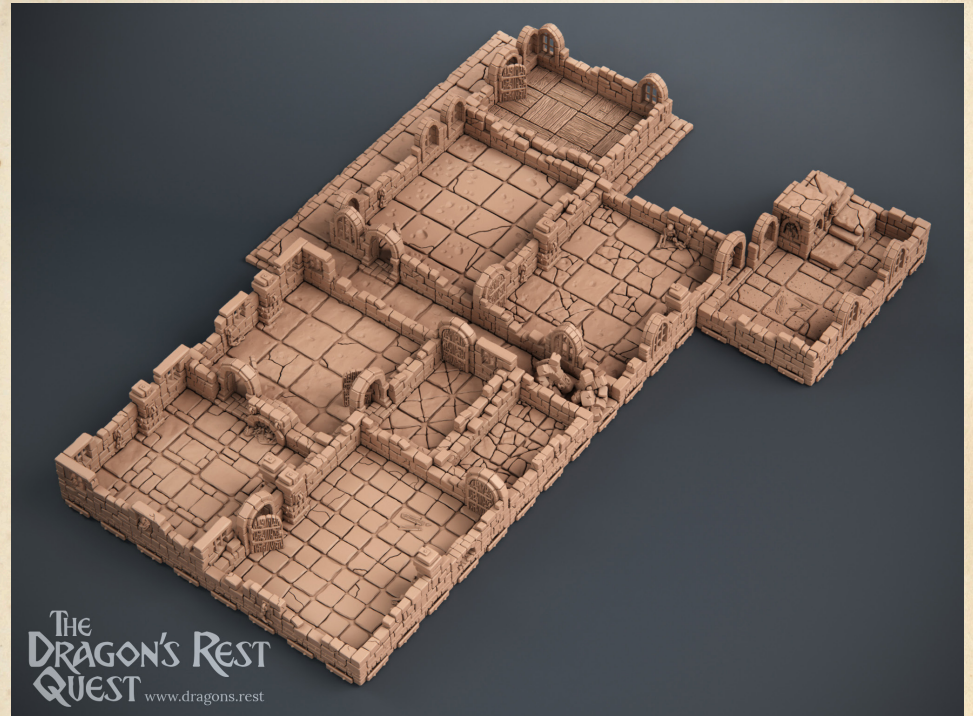

This guide will list all the pieces needed for creating the classic layout of everyone's favourite dungeon crawler as well as give you enough pieces to start creating your own maps.

When following along with this guide (M) denotes that you will need to mirror this piece in your slicing software.

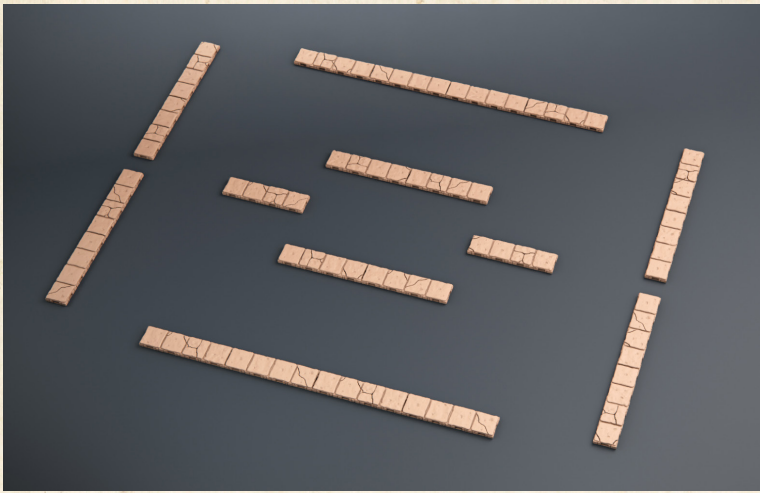

You'll need around 650 of the standard DRMC Clips and 60 of the Discrete clips.

All of the pieces used in this build are available as part of [The Dragon's Rest Quest Patreon](#).
