### About OPIF:

Operation Pay It Forward was formed to help our returning warriors overcome the injuries and demons they brought back with them from combat. Our goal is to introduce or reintroduce these veterans to the outdoors and the associated healing effects and comradery that comes with it. These soldiers are then given a new mission – to connect with their veteran brothers and sisters that need help and involve them in OPIF’s mission to “pay it forward” to their brothers and sisters in arms.

**Operation Pay It Forward is a 501c(3) tax-exempt organization. Contributions to the organization are deductible as allowed by law.**
