Due to the success last year, the 27<sup>th</sup> Anniversary of Bayou Wars will again be held the Gulf coast. We have many events this year including an ADLG ancient tournament, GCMA 40K tournament and board gaming sponsored by maCnarB Gaming.

We have some great games on the schedule. Pirate Pat will be running demos of Warlords WWII patrol boat game "Cruel Seas" and our friend RT will be running "Blood & Plunder" all weekend. If your taste is FIW, Bob Moon will be running his 40mm FIW game that won best game at Historicon 2015. Greg Spanier from maCnarB Gaming will be running board games so make sure you check the schedule. Firelock games will be demoing here new wooden ship game "Oak & Iron" along with WWI Skirmish Blood & Valor". We currently have 28mm WWI, ACW and HYW games on the schedule for Saturday so it looks to be a busy day!

Yes, Yes Gomez is back so all chariot racers make sure you sign up, remember being dragged across the finish line dead is not a win.

Of course, we could not do it without the Game Master! Thanks to everyone that has volunteered to run games and help with the success of the convention.

Going to be a great convention!
