2-3 Video Essay Topics: Students can choose to complete either a Video Essay or a 250-word written essay. For either Essay that you choose, please enclose a picture of yourself (i.e., cap & gown pic or nice casual dress photo).

In your video or written essay, choose a community service project or a community/life experience that has allowed you to be the most impactful within your community.

Please explain details about the community service or experience (timeline, location, audience, and how it was impactful to the community). How did you exhibit Leadership, Service, and a positive Character? Please start off by stating your name and the (community college, technical college, or university) school you are or will be attending. Please complete this application and return it with either the short 2- to 3-minute video essay or the written essay, along with the completed application.

You may submit both by email to <u>b.u.d.sscholarships@gmail.com</u> or submit a video to the email and mail the application to the PO Box below:
