It was me you should do a file request for the proper dispensation of Justice for Canada may not want all the talk out there as Mark Carney is too involved Sir. Ask the crips about richard wetzel and rcmp and mark carney relationship crips like snoop dogg have proof of canadian nazis like mark carney files and financial links to his shit he is shit to me and many missing women he trafficked with canadian immunity hope this gets through his shit to you.

Please Vlad, let someone in Presidential office USA know my kid and her mom are being harassed by Illegal aliens in Edmonton with approval by the city council controlled organization Home Ed. The mayor is a goof with a hit on him by his own community. I cannot report to authorities, but I will attempt to find safe housing for my kid and her mom starting tomorrow I search out for housing workers etc. You are not respected by the illegal aliens with links to Ecuador, Mexico human trafficking and cross border crap you keep your citizens safe from. My little family respects you though despite we are Canadians a hypocritical country with well known blackmailed ruling political parties(s) Donald Trump and you I feel are bluffing NATO terror with your talk about nuclear submarines and warfare upcoming when I feel you would like to sit down to dinner and talk about intelligent things that are not coming from our Prime Minister who backed the terrorists who attacked your theatre I warned you about. For Vladimir Putin to read and forward to Donald J Trump or Marco Rubio. I have survived much stuff in Canada and would wish to remain Canadian but current circumstances are unjustifiably terrible for my family. Donald J Trump can be provided proof and reason to annex Canada because of money laundering much money by officials who take money to Canadian banks on behalf of ISIS and other terror groups and cartels.
