Date: Tuesday, July 8, 2025 at 11:28 a.m. MDT

Hi Jacob -

The Alberta Next Panel is hosting a free town hall meeting in Sherwood Park on Wednesday, July 16 from 6 to 9 pm.

Led by Premier Danielle Smith and a 15 member panel of UCP MLAs, business leaders, academics, and community representatives, this is part of a rigorous Government of Alberta consultation process.

The goal is to shape Alberta's future and strengthen our sovereignty within a united Canada. The panel is touring the province to hear how we can better protect ourselves from Ottawa's attacks. A provincial referendum on some of these ideas is coming in 2026. What's on that ballot will be informed by your feedback.

Panelists will raise important ideas for discussion, including the Provincial Police Service, Alberta Pension Plan, tax collection changes, immigration, constitutional reform, and federal transfers and equalization.

This is not a United Conservative Party event, but we know many of our supporters care deeply about these issues and may want to attend.
