

STUDENT LIFE ALLIANCE

*Here for the life supports
our homeless and at-risk students
need in an unpredictable world*

We know many students experiencing homelessness and trauma while going to school...

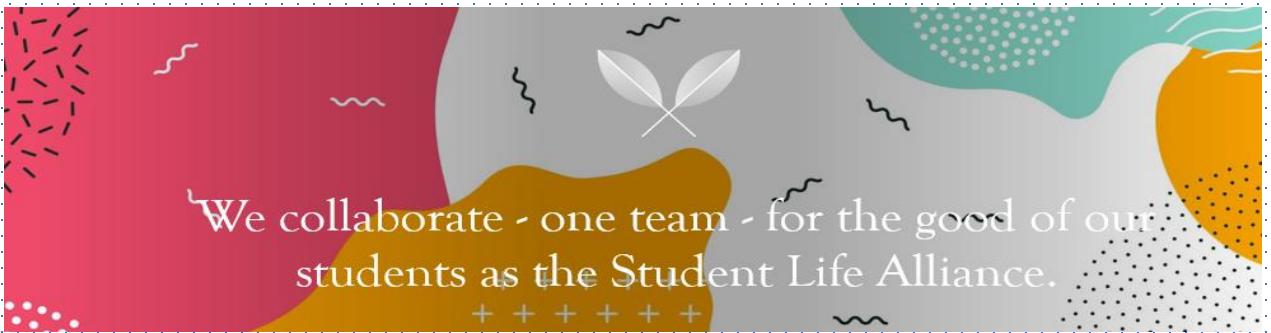

By working together - providers, schools, donors and recipients - we form a **RESOURCE NETWORK**. We believe every student has potential worth nourishing and investing in.

Here is what they tell us they need

1. Food packs
2. Hygiene kits
3. Backpacks and school supplies
4. New uniforms
5. New casual clothes
6. New sneakers
7. A Journal or Book
8. Laundry service
9. New socks and underwear
10. Gift cards
11. Florida State ID
12. Bus Passes
13. Transportation & Gas
14. Housing

We are a group of people in over 40 agencies who care about our students well being. We formed the Student Life Alliance. We see a future where children and teens experiencing trauma have all the support they need to succeed.
