is available at: www.owenscorning.com

CAUTION: This product is combustible. A protective barrier or thermal barrier is required as specified in the appropriate building code. For more information, consult BUIS or call 1-800-GET-PINK® (1-800-436-7465).  
R @10°F means temperature. "R" means the resistance to heat flow. The higher the R-value, the greater the insulating power. This insulation must be installed properly to get the marked R-value.  
Follow the manufacturer's instructions carefully. If a manufacturer's fact sheet is not provided with the material shipment, request one and review it carefully.
